PLATE PRINTERS' LEAGUE ANNOUNCES SCHEDULE

Organization One of the Oldest in Washington.

HAS MANY GOOD BOWLERS

Teams Are Named After Cities of Which Their Members Were Once Residents—The Officers.

The Plate Printers' Bowling League began its season on Tuesday night with a set of games between the St. Louis and Chicago quintets, on the Golden Eagle alleys, where all of the games of the organization will be rolled.

The league is one of the veterans of the District, and is composed of many good players, among them Lord, Harlick, Heimerich, Hess, Land, and others, who rank with the best in the city. The teams forming the organization are named after cities of which their members were at one time residents. They are Chicago, St. Louis, New York, Washington, Philadelphia, and Boston.

The following officers were elected at a recent meeting: J. J. Batch, president; George Land, vice president; M. Kieso, secretary and treasurer, and M. E. O'Connor, official scorer. The board of governors is composed of A. J. Hess, Chicago; Theodore Heimerich, St. Louis; Joseph Hardie, New York; E. Helmuth, Washington; Charles Lord, Philadelphia; and T. Lavender, Boston.

MANAGER HERFORD WINS BOXING CASE

Jury Returns Verdict of "Not Guilty" in Trial.

BOUTS LIKELY IN FUTURE

Baltimore Authorities Agree That Fight Promoter's Club Was Acting Within the Law.

BALTIMORE, Oct. 22.—Manager Al Herford has come out best in his bout with the blind goddess. The jury before whom Manager Al was tried Tuesday for conducting an alleged illegal boxing exhibition brought in a verdict of not guilty, and now the general opinion seems to be that boxing bouts given by a private club to which members only are admitted are not contrary to law, thus opening up the way for a renewal of the sport so dear to lovers of the manly art.

The case against Mr. Herford was tried Tuesday, and Tuesday night the jury returned a sealed verdict, which was opened yesterday morning. Stets were entered by the State in the cases against Harry Lyons, George Kinnecker and others concerned in the exhibition given at Union Hall on April 15.

Bona Fide Organization.

State's Attorney Poe said that, according to the verdict, Manager Herford was giving an exhibition under a regularly chartered club which did not call for any permit from the city. "It was proven," said Mr. Poe, "that the club was a bona fide organization, and as long as it gives its exhibitions for members I cannot see how it can be stopped. Deputy State's Attorney Phelps was of the same opinion.

When asked what course he would pursue in case further exhibitions were given, Mr. Farman said: "I have decided upon no course of action. I shall submit the matter to the board and let them decide. Personally, I am not opposed to boxing under proper restrictions."

Meeting to Be Called.

Manager Al Herford left for New York yesterday morning, but Secretary Maurice Herford was at the club headquarters all day, receiving the congratulations of his friends. When asked what course the club intended to pursue in the future, Secretary Herford said: "I cannot say yet what we will do. A meeting of the board of directors will be called soon and the matter talked over. We have had some talk of getting a large and regular business, and we have one or two in mind, but our plans are not in such shape yet that we can talk about them."

The fraternal in general was well pleased with the verdict, and it seems to be the consensus of opinion that the coming winter will witness a revival of boxing in Baltimore.

CHEVY CHASE GOLF CLUB BEGINS FALL TOURNEY

Many of the Best Golfers in Maryland and the District Enter This Morning's Play.

The annual fall tournament of the Chevy Chase Golf Club began this morning at 9 o'clock, with the qualification round of the stroke competition of thirty-six holes. The entries to the match comprise the best golfers in Maryland and the District of Columbia, and when the day's play is completed this evening many good scores will doubtless be turned in, as the course, which is one of the best in the country, is in excellent shape.

The following men were paired off for this morning's play:

B. A. Leavell, Columbia, and Oscar Woodward, Marine and Field Eugene Carus, Columbia, and W. C. Peter, Chevy Chase, and W. C. McCammon, Chevy Chase, and L. W. Weaver, Columbia, A. S. Mattingly, Columbia, and Andrew Patterson, Chevy Chase, and W. W. Delano, Columbia, E. M. Talcott, Washington, and R. C. Gray, Chevy Chase, J. Phillips, Chevy Chase, and A. L. Seligman, St. John's, L. Heap, Chevy Chase, and J. M. Briggs, Chevy Chase, W. M. Gray, Chevy Chase, and W. S. Harban, Columbia, G. G. Brown, Chevy Chase, and S. C. Briggs, Chevy Chase, G. Weaver, Columbia, and H. Wylie, Chevy Chase, R. B. Beale, New York, and J. W. Leckett, Chevy Chase, and E. Sheld, Columbia, and L. D. Melne, Chevy Chase, E. Brooke, Columbia, and A. E. Lord, Eckman, D. S. Barry, Chevy Chase, and F. B. Pye, Columbia, E. Seft, Columbia, and W. V. Bennett, Columbia, J. C. Davidson, Columbia, and R. C. Hayden, Chevy Chase, Thomas Laughlin, Pittsburgh, and M. Thompson, Chevy Chase, G. C. Lafferty, Chevy Chase, and Davidson, St. Andrews, J. L. Newbold, Chevy Chase, and A. T. Tyler, Washington, O. Horstmann, Chevy Chase, and W. V. Burton, Eckman, S. Dalzell, Edgewood, and A. Britton, Chevy Chase, J. W. McKinley, Columbia, and V. Kaufmann, Chevy Chase, and G. A. Derick, Columbia, and T. P. Moran, Columbia, Ben Miller, Chevy Chase, and M. G. Seckendorf, Chevy Chase.

In view of the large number of entries the club has decided to give a prize for a third sixteen.

A round of eighteen holes will be played tomorrow at 9 o'clock for the club cup, and at 10:30 play will begin in the consolation cup match.

CENTER MARKET FIVE DEFEAT COMMISSIONERS

The Center Market five proved too much for the Commissioners on the Palace Alleys last night, winning two games for the Departmental League bowlers. The market men set up a total of 968 in the first game, and 864 in the second. The Commissioners also bowled well, and consistently. Neilligan, of the Commissioners, rolled strings of 236 and 183, and Simpson bowled best for the market team, making scores of 201 and 211. The scores:

Commissioners	1st.	2d.	3d.

In the Horseless World

COLLECTING NUMBERS

NEW FAD OF AUTOISTS

Back of Machines Resemble Mathematical Charts—License Signs for Many Cities.

"If I keep on traveling it will be necessary for me to get the back of my automobile enlarged, or it won't be big enough to hold the numbers required to keep me out of jail," remarked a prominent Washingtonian, who makes frequent automobile trip from Washington to New York.

"My machine looks something like a multiplication table, but it can't be helped. I must go through Baltimore and Philadelphia on my way to New York, and the man who is familiar with the methods of bicycle policemen named to keep track of automobiles, doesn't care to give them a chance to run him in."

As the man spoke, he pointed to the array of license numbers on his automobile. His Washington number was a small one. The Baltimore number was also small, but Philadelphia and New York conferred four and five figures on him, which covered the entire axle of his machine.

"Collecting automobile numbers is getting to be a fad with some tourists," the automobilist continued. "I have seen machines covered with numbers which were as many as the numbers of the same machine."

Baron Moncheur says the shape of the automobiles used in Europe is similar to that of machines in use in this country, and Europeans are fond of brightly colored machines, such as are seen in every American city, racing machines are frequently seen in Europe which are modeled after a torpedo boat in shape to lessen the resistance offered to the wind. Most machines of this type are painted a dull gray and present a strange appearance.

READY TO PULL OFF RACES AT BRIGHTWOOD

Thirty Entries in Events—Hoping for Good Weather.

With the track officials all appointed and over thirty entries received in one day, the Washington Automobile Dealers' Association has little more to do before the automobile races at Brightwood, on October 23, except to pray for the right kind of track and weather.

Those named by the association to act as track officials accepted their honors gracefully, knowing well they will put in a strenuous day. The most important official is the referee, with whom all kicks are registered. Dealers unanimously concluded that W. E. Hibbs, the stock broker, would be the best man in town to act in that capacity.

The gentlemen who will judge the races are H. G. Ward, George McCurdy, and H. H. Fry.

The time of the races will be taken by W. L. Tenney, of The Times; A. M. McCormick, of M. A. Tappan & Co., and secretary of the National Capital Automobile Club, is starter.

W. H. Whitney, of the naval command, and Frank Boyd, of the army, umpires. Rudolph Jose, of the Washington branch, Pope Manufacturing Company, will be clerk of the course.

YOUNG CORBETT-JORDAN BATTLE ARRANGEMENTS

Fight to Go Twenty Rounds—Ed Grancy Will Probably Referee the Bout.

Here are some of the details of the proposed international battle between Young Corbett and Ben Jordan:

The contest will take place before the Francis, during the month of December, probably a week before Christmas. The conditions of the match call for the men to weigh not more than 126 pounds at 3 o'clock in the afternoon of the date set for the battle. The bout is scheduled for twenty rounds, straight Men of Queensberry rules, with five-ounce gloves. Although the question of a referee will be left open until Jordan's arrival, it is very probable that Eddie Grancy will be selected. He has officiated at nearly all of the important bouts which have taken place in Princeton, New York, a brother of Jim Corbett, who is the leading light of the Pacific Coast sporting men, has been selected to hold the forfeits for the principals and club. Charles Horan, who is looking after the interests of the Englishman, has instructed that to the New York in next Wednesday's boat. He will stop over a couple of weeks in the East, and will then go to San Francisco to train for the contest. Corbett will go to Frisco about the first of November, accompanied by his trainer, Harry Tuttle.

TACKLE RALPH BLOOMER WRENCHES SHOULDER

NEW HAVEN, Conn., Oct. 22.—The Yale football situation took a decided turn for the worse yesterday, when Ralph Bloomer, a guard and line backer, was injured by a tackle, Mike Murphy, and his brother, Dr. Murphy, replaced the dislocated bones, and then bandaged the injured shoulder. Bloomer was driven to his room. It will be two weeks before he can possibly return to the field, and he cannot rely on his shoulder again this season.

SAYS BLOOD MONEY WAS PAID TO SERVIANS

VIENNA, Oct. 22.—A story is published here to the effect that the Serbian army officers who assassinated King Alexander and Queen Draga received payment, as follows: The Queen's brother-in-law, Colonel Machin, now commander of the Belgrade and Danube divisions of the army, \$6,000. Colonel Mitschich, recently departmental chief of the ministry of war, and two others, \$4,800. Junior officers, from \$600 to \$1,000.

AUTOMOBILING HERE AND ACROSS THE WATER

Baron Moncheur Tells of Differences in the Sport—Better Roads in Europe Permit Lighter Machines.

After a visit of several months in Europe Baron Moncheur and the Baroness Moncheur returned to Washington yesterday. Most of their time on the Continent was spent in automobilizing, and they are enthusiastic in their praise of the excellent roads in Europe, especially those in Normandy.

"Automobilizing in the United States and in Europe is different," said Baron Moncheur. "The machines in this country must be heavy on account of the poor roads. In Europe the highways are so excellent that machinery of great power can be placed in a light car without danger of accidents."

"Roads are so straight there and so level that the danger of collisions is minimized, and it is possible for cars to make great speed with little danger."

"Many cars run through northern France at a speed of fifty miles an hour. We frequently ran thirty-two miles an hour, and could have gone much faster with safety, but did not care to run any risk, as there were ladies in the party."

Baron Moncheur says the shape of the automobiles used in Europe is similar to that of machines in use in this country, and Europeans are fond of brightly colored machines, such as are seen in every American city, racing machines are frequently seen in Europe which are modeled after a torpedo boat in shape to lessen the resistance offered to the wind. Most machines of this type are painted a dull gray and present a strange appearance.

GERMANY REGULATES AUTOMOBILE TRAFFIC

Collecting Statistics of All Accidents. Uniform Federal Law Proposed.

Consul General Guenther, at Frankfurt, reports to the State Department that some time ago the German government ordered the collection of statistics of all accidents caused by motor vehicles within the last two years.

The secretary of the interior, Count Posadowsky, has communicated with the governments of the various German states with a view of regulating the automobile traffic by a uniform federal law. All the governments have consented, so that a bill could be drafted which will probably be submitted to the reichstag at its next session.

The federal government has in this manner complied with the wishes of the automobile and bicycle associations, which have repeatedly asked that a uniform federal law be substituted for the local police regulations.

JEFFRIES REFUSES TO SEE FITZSIMMONS

Champion Gives Bob the Cold Stare, Icy Mitt, and Frigid Finger in Chicago.

CHICAGO, Oct. 22.—James J. Jeffries and Robert Fitzsimmons were both in Chicago yesterday, but very careful planning on the part of the champion they did not see each other. Fitz was on his way from New York to San Francisco, and Jim was on his way from San Francisco to New York. When Fitz arrived in the city he decided to pay his respects to James, who was then lounging in his private car in the yards of the Northwestern Railroad. Robert called, and sent his card to James by a colored porter. The word that came back was not cheerful.

"Want to see me, hey? Well, he can't. I don't care to have anything to do with him," said the champion, and James again went to sleep, while Robert, chagrined, went away.

"Lanky Bob" may show him a trick or two yet," is the comment of the sporting men who heard of the incident. Unless Jeff gets on a match at once it is said he will sail for South Africa. In a recent interview the champion said: "There are no men for me to fight in America, except negroes, and I don't intend to fight colored men. The boxing game is flourishing down in South Africa, and I understand the shows draw big houses. There are several good boxers there who might give me a good run for the championship, and it will not be long before I will be with them."

INTERSCHOLASTIC SCHEDULE.

The annual meeting was held by the Washington Interscholastic Football Association yesterday at the Washington School grounds. The following schedule was adopted: October 29, Emerson vs. Washington; November 6, Emerson vs. Army and Navy; November 6, Washington vs. Army and Navy; November 13, Washington vs. Emerson; November 13, Army and Navy vs. Washington.

We will occupy our new store in the Colorado Building when completed.

WESTERN HIGH SCHOOL LOSES TO TECHNICAL

Latter Football Team Outclasses Its Opponent and Wins by the Score of 10 to 5.

Technical High School added another leaf to its laurel wreath yesterday when, in a stubbornly contested game of football on the Georgetown campus, it defeated the strong Western High School team by the score of 10 to 5. Hundreds of enthusiastic rooters from both schools saw the struggle. In the early part of the first half the Western partisans were jubilant, and when Morse made its first and only touchdown they cheered their team wildly. They relaxed into an apathetic state after that, however, when it was seen the team was outclassed, and one pessimistic rooter climbed to the roof of the grandstand and put the Western flag at half-mast.

Tech's victory was well earned, and was won only by superior playing. Right Halfback Smith was a large factor in the winning of the game. Time and again, with the assistance of Fullback, he showed splendid play through Western's line for gains of from 5 to 20 yards. The rest of the team, too, played well. Elison, at center, and Baccus, at right tackle, played their respective positions creditably. Gelb scored Tech's second touchdown.

For Western, Church and Morse played the best game, and the work of Church was at all times brilliant. Following is the line-up:

Technical Positions. Western. Gline, L. E. Kincaid. Elison, H. B. Flahay. Pimper, Kochler, L. G. Reynolds. Elison, Center. Turkendon. Robinson, R. G. Kittenhouse. Baccus, R. E. Morse. Simpson, Haring, Q. B. Fletcher. Gelb, L. H. B. Church, Parnelle. Du Ganne, F. B. Towne. Toulson, J. E. B. Drumhart, Western. Morse, R. E. Ballenger. Technical. Timers—Messrs. Drum and Doyle. Time of halves—25 minutes.

THE NEWS OF GEORGETOWN

KNIGHTS TEMPLAR ENTERTAINED

At a meeting of the knights of Potomac Commandery No. 3, of Georgetown, held last night at Masonic Hall, on Thirty-second Street northwest, there were present officers of the Grand Encampment of the United States, and of the Grand Commanderies of the District of Columbia. The Order of the Temple was worked by Very Eminent Grand Junior Warden Frank H. Thomas, of the Grand Encampment of the United States, assisted by Harrison Dingman and George E. Corson, of the Grand Commandery of the District of Columbia.

Besides the officers and members of the Grand Commandery of the District there were present Past Grand Commander Tavenner, of the State of West Virginia, a member of the Grand Encampment of the United States; Grand Commander Wright, of the State of Florida; Past Grand Commander Ware, Past Grand Commander Chadwick, and Grand Captain General of the United States' Rosenbaum. The grand commands of the States of Louisiana, and the Territory, Arkansas, and Tennessee were also present. The visitors were introduced by Judge John A. Lacey, and were received by Very Eminent Commander Robert L. Middleton, of Potomac Commandery No. 3. Near the close of the evening a banquet was served, covers being laid for about 100.

The visiting officers are attending the sessions of the Supreme Council of the Ancient and Accepted Scottish Rite of the Southern Jurisdiction.

JOE GRANT AND HAINES WRESTLE THIS EVENING

Joe Grant reached this city this morning, coming over from Baltimore with Manager Weiss, and is in fine condition for his struggle with Robert Haines this evening at Odd Fellows Hall, where the two come together in a finish wrestling bout. The novelty of a finish wrestling match will doubtless draw out a big following of the sport, and the struggles of the two clever mat artists will be watched with interest. In addition there will be several preliminary bouts of the entertaining sort.

FOOTBALL PLAYER DIES ON GRIDIRON

Heart Failure Ends Life of Robert Lewin—Not Injured in Game.

ANNAPOLIS, Md., Oct. 22.—During the football game here yesterday afternoon between the midshipmen and the Baltimore Medical College, Robert E. Lewin, a guard on the latter team, whose home was in Plainfield, N. H., was seized with a cardiac syncope, commonly known as heart failure, and probably died almost at once. Every means was taken to preserve his life, and he was not pronounced dead for half an hour. The dead youth received no injury of any kind that could be disclosed by the most careful examination.

Lewin's Death.

After a scrimmage, and the teams had lined up, young Lewin asked the referee to call time, and dropped to the ground. He gave no further sign of life. The game between the two teams was unusually spirited, but entirely devoid of any foul play or unnecessary roughness. The utmost
